1. Each space has a theme and you send the kids on a scavenger hunt for a book that fits the theme. Need books? Then visit your local library and hunt for books and bring them home to read.
2. Read the book and do the activity
3. Give a review of your favorite books in the group.
4. Mark off each book with activity you do and post your completed card in the group and **be entered into a book drawing.**

I look forward to seeing your completed charts & book reviews in the Little Rabbit Trails Group on FB  
Post your completed card by August 31st 2021

**WOW! You did it.**

**Now post a picture of your completed chart in the Little Rabbit Trails Group on FB  
Remember to also do a book review of your favorite book.**

*Post your completed chart by August 31st 2021*

Children can learn so much from even reading simple picture books if you are aware of all of the hidden topics waiting to be explored. Learn even more about this in Relaxed Homeschooling. Learn how to create an amazing learning environment, foster a family culture of learning and watch as your children beg to learn more every day.

Take your child's learning to the next level by adopting the amazing time called Poetry Tea Time. Watch your children improve their vocabulary, comprehension, critical thinking skills and imagination just from reading simple poems from A Year of Poetry tea Time.
